Residents and Members of the Public

The following is a summary of the discussions and actions taken at the October 31, 2019 Harmony CDD Board of Supervisors meeting.

FIRST ORDER OF BUSINESS Roll Call

Supv Berube called the meeting to order at 6:00 p.m.

Supv Berube called the roll and stated the record will reflect we have a quorum.

SECOND ORDER OF BUSINESS Developer's Report

A. Fusilier Proposal

Supv Berube addressed the Fusilier proposal noting his concerns with if the proposal is not approved by tomorrow it will be withdrawn. Secondly, in the miscellaneous terms it states Mr. Fusilier will retain ownership of the businesses within the facility.

On MOTION by Supv Berube seconded by Supv Scarborough, with Supv Berube and Supv Scarborough voting aye and Supv Bokunic and Supv Kassel voting nay, the motion to decline Mr. Fusilier's proposal failed.

Supv Kassel noted they can make a counter offer so as not to drop it entirely. It can reflect that he still owns the businesses, but he has to lease the property back from them.

Supv Bokunic noted he has a problem with the \$4.5 million.

Supv Kassel suggested a counter offer of \$1.5 million.

Supv Berube inquired if there were issues with having a private business in a public facility.

Mr. Qualls noted as he understood it the building would be owned by the District, and the District could lease. The proposal states they would have to continue leasing to the existing businesses and he does not think this is unheard of. With that being said they will want to look into public property private use; taxes will have to be paid unless it is public owned public use for certain tax exemptions.

Supv Berube addressed the profit & loss projection.

Supv Kassel noted it does not pertain to the offer as they would not receive revenues from the businesses, just rental income.

Mr. Fusilier noted the restaurant and pro shop are the rental income, the fitness center is based on current revenue it is producing and projected what will come once the Active Adult Community is built out. There is no management for the fitness or the leasing of the pro shop or restaurant.

Discussion continued on the proposal, how they could utilize the building as a community center and expenses.

Discussion ensued on the cost of building and expense of a community center.

On MOTION by Supv Kassel seconded by Supv Scarborough, with Supv Kassel, Supv Scarborough and Supv Bokunic voting aye and Supv Berube voting nay, the motion to counter offer Mr. Fusilier's proposal at \$1.5 million was approved.

Mr. Fusilier suggested they explore the cost of building a 10,000 sq. ft. community center.

Discussion continued on what the current proposal includes.

THIRD ORDER OF BUSINESS

Audience Comments

Ms. Ash-Mower inquired as to the process for getting the garden shed.

Supv Berube noted Mark was supposed to meet with her yesterday.

Ms. Ash-Mower noted she has not heard from him. The other issue is the grading of the parking lot in front of the trailer noting it is going to flood. She spoke with the Mr. van der Snel and he said they would deal with it when it happens. The other issue is an ADA ramp for the trailer.

Supv Berube noted the ramp was installed today.

Discussion continued on garden parking and the garden shed replacement.

Discussion followed on the garden keeping their existing dumpster due to the placement of the new dumpster and the lid being too heavy to lift.

FOURTH ORDER OF BUSINESS Approval of the Minutes

A. September 26, 2019 – Regular Monthly Meeting Minutes

On MOTION by Supv Bokunic seconded by Supv Kassel, with all in favor, the September 26, 2019 regular meeting minutes were approved as amended.

FIFTH ORDER OF BUSINSS

Subcontractors' Reports

A. Servello

i. Grounds Maintenance Status (Work Chart)

Mr. Migues inquired if there were any questions for him or anything they would like to address.

There being none, the next item followed.

ii. Proposals

a. #3605 – Lift & Thin Out Trees Throughout the Community - \$22,400.00

Supv Berube noted he thinks they are talking about the inner areas of trees.

Mr. Feliciano noted that is correct. It has gone up as there are 139 additional trees.

Supv Berube noted this will include every tree throughout the property that is not covered under the main contract; if Servello is cutting the grass under it. For the trees at the Town Square commercial area, there are tree rings and he does not think those trees fall under the maintenance contract and will have to be done as part of this.

Mr. Feliciano noted there are not that many of them.

Supv Berube noted the other areas in Town Square have been maintained, but the belief was those were developer owned sidewalks and trees, they were not done.

Discussion continued on the proposal with it being noted they will mark each tree.

Supv Berube addressed the timeframe noting he is bringing it up because last year they were mulching in June and he is not sure it ever got done. The contract calls for mulching to be completed sometime between November 1st and January 31st. What is the timeframe for mulch?

Mr. Migues noted last year they were waiting for the leaves to stop falling per Mr. van der Snel's request.

Mr. Feliciano noted he would like to do the mulching at the end of January / beginning of February.

Discussion followed on a timetable for the mulching with Mr. Feliciano noting most properties take one week.

Discussion continued on a timetable for trimming the trees with Mr. Feliciano noted he wants to start the trimming in December with it being completed in one month.

On MOTION by Supv Kassel seconded by Supv Bokunic, with all in favor, Servello proposal #3605 in the amount of \$22,400.00 was approved.

- b. #3096 One Time Cleanup of Buck Lake Lot VC-1 \$695.00
- c. Addendum Buck Lake Lot VC-1 \$2,688.00

On MOTION by Supv Kassel seconded by Supv Scarborough, with all in favor, Servello proposal #3096 in the amount of \$695 and the addendum for Buck Lake – Lot VC 1 in the amount of \$2,688 were approved.

Supv Berube addressed back and forth between Mr. Migues and Mr. van der Snel regarding mulch at the playground. They need to keep a good bed of mulch on the playgrounds. The contract calls for adding six inches of mulch every January. The guideline is for it to be 9 or 12-inches and they need to get it to that number and keep it at that.

Mr. Feliciano noted they will address it.

Supv Berube noted Servello has replaced the flowers at the roundabouts. Most of community looks good, there are still weeds around; but overall it looks good.

Supv Berube inquired if they are going to do the contract trees while doing the inner trees.

Mr. Feliciano noted he would like to, but he would have to push back the mulch further.

SIXTH ORDER OF BUSINESS

Staff Reports

A. District Engineer

i. Billy's Trail – Survey and Cost

Mr. Boyd noted the survey proposal in the agenda package he asked them to split out and he has brought the revised with him. He noted he had reached out to Kissimmee Valley Surveying and they declined.

Supv Kassel noted she also contacted Kissimmee Valley Surveying and they responded via email "since Johnston has done all the surveys for Harmony and after contacting Rick who said he was going to move the electric fence therefore the office did not quote this job. They did not want to charge for a new survey just to locate the fence when another surveyor had already done this survey. The cost for Johnston's to locate the fence and add to their survey would probably be a lot more reasonable than what we could have done it for." This is \$3,750?

Mr. Boyd noted it is for Task III.

Supv Kassel noted it is Tasks I and II together. Task II is field stake. Having Johnston's survey the property is a conflict of interest since one of the main parties at Johnston's is leasing the land. From the Kissimmee Valley email there should already be a survey of the area.

Mr. Boyd noted he did not have a survey of the area; he has a base file from when the development area was surveyed. It did not reflect the fencing that had been installed recently. The other task was to stake the boundary; it still needs to be done if they want it done.

Supv Kassel noted she is fine with staking the boundaries. According to Willard from Kissimmee Valley there is an existing survey.

Mr. Boyd noted he probably has the base survey done back when they did design work for the neighborhood. His understanding was the fencing had changed and they needed a new survey.

Supv Kassel noted the fencing never changed, but when Mr. Jermain leased the property to Mr. Brown, he put up an electric fence that was on CDD property.

Mr. Boyd noted his understanding is the fence has been removed.

Supv Berube noted they need to determine the boundary, regardless of the fence, so they can move Billy's Trail off developer land.

Supv Kassel MOVED to approve Tasks II and III of the proposal.

Mr. Boyd addressed Task III noting it is to stake in the wetlands on the east side of Five Oaks Drive. In speaking with SFWMD the permit requires all the wetlands within the permit be maintained which includes wetlands that were dedicated for mitigation regardless of who owns the lands. He noted he has not had a chance to look into it since speaking with her [SFWMD Representative] today, but it is possible the permit does require additional land beyond the CDD boundary to be maintained.

Discussion continued on the permit and remediation of the weeds.

Supv Kassel withdrew the motion.

Supv Berube addressed the cost of maintaining the other piece noting is minimal and suggested the cost of going back and forth with SFWMD to figure out the permit would be more expensive.

On MOTION by Supv Kassel seconded by Supv Bokunic, with all in favor, Task II to field stake the eastern boundary in the amount of \$1,250.00 was approved.

Mr. Boyd noted he was not clear on a task listed and whether they wanted him to prepare a design and budget for relocation of the trail itself. The cost will depend on what they want to build a path, or a road. In July he came up with a budget of \$10,000 to bring shell rock in that the field staff would place. If they bid for a contractor to do a shell rock path it could be \$80,000 to \$90,000.

Supv Kassel noted they will need to cut out the existing barbed wire fence and install a gate to provide residents access and for equipment to have access. Once it is bush hogged, they can see how the ground is and if they need anything.

Supv Scarborough noted the trail area is pretty low.

Discussion continued on the trail and ground conditions with it being noted the CDD has the tractor with a mower, and they have an excavator with a bucket.

Supv Kassel inquired if they need approval for Mr. van der Snel to take out the barbed wire and install the gate.

Supv Berube noted it is all within Mr. van der Snel's spending authority.

Mr. Boyd reported he will be making the formal letter response to SFWMD providing a start date.

Supv Berube noted it is already in progress as of October 15th.

Mr. Boyd noted Mr. Randy Austin will be doing the next annual inspection in December to submit.

Mr. Boyd inquired about a fence estimate on the action list from the last meeting. He does not know if they still need it or what it should be.

Supv Berube noted they were talking about fencing the trail off.

Supv Kassel noted the CDD does not need to fence it. There may be a need for some posts as trail markers.

B. District Attorney

i. Update on VC-1 and W4-2 Closing

Mr. Qualls reported the closing went smoothly on VC-1 and W4-2.

ii. Update on Letter Extending Field Office Lease through November 1, 2019

Mr. Qualls reported they sent a follow-up letter to Mr. Kobrin to extend the lease on the old field maintenance office. He believes it is now a moot point.

iii. Discussion and Draft Letter Regarding Discontinuance of Maintenance

Mr. Qualls reported he has drafted a letter identical to the one they sent to the golf course for Harmony Retail stating it will be 60 days and the maintenance will cease on December 31st.

Supv Berube inquired if these are the parcels along 192.

Mr. Qualls noted it is.

Supv Berube noted he thinks they are okay with sending the letter; Mr. Kobrin asked for 60 days' notice last month.

iv. ADA and Website Readability – Adobe Acrobat to Modify Documents

Mr. Qualls noted following the meeting last month they sent Mr. Farnsworth the WGAC 2.0 Standards. He asked a lot of questions but what it came down to is he is willing, if the Board will get him the Adobe Acrobat software and the license to make him a user.

Mr. Qualls outlined the older scanned files on the website noting with Adobe Acrobat, Mr. Farnsworth can modify them to be screen readable. He was asked twice if he was comfortable with Mr. Qualls representing to the Board that he was willing to it and Mr. Farnsworth said he is. He suggested they make a motion to purchase Adobe Acrobat and make Mr. Farnsworth a licensed user.

Supv Berube noted the program Mr. Farnsworth needs is \$449.

On MOTION by Supv Kassel seconded by Supv Bokunic, with all in favor, the purchase of the Adobe Acrobat program at a cost of \$449 and Mr. Farnsworth to be a licensed user was approved.

Ms. Suit noted Inframark is not going to do anything other than what they currently do. If Mr. Farnsworth is taking on the task, he is taking on the task. Inframark also will not be taking on the liability for the compliance of the website.

Mr. Qualls noted one other item they were asked to research is the ownership of the tower at the east entrance. He reported the property is owned by the District and they found nothing in the record that shows the tower was somehow conveyed to anyone else. Their position is the CDD owns the tower.

Supv Berube inquired if any of Mr. Fusilier's people have any goods or merchandise stored in the tower and if he has a key.

Mr. Fusilier noted he does not, he has never been in there.

Supv Berube inquired if Mr. Fusilier is contesting the ownership of the tower.

Mr. Fusilier noted he is not.

Supv Berube further addressed the website noting they have items on the website that are approaching 20 years old. There are documents sitting out there that will not be able to be edited using the Adobe Acrobat software. The question is how long they are legally required to post items on the website.

Mr. Qualls noted the requirement under statute is they post things yearly. There is no requirement to post old budgets because it is covered under the retention schedule. The website is not the retention solution. Their strong advice is to eliminate anything over five years old.

Discussion continued on a guideline for website aged items and continuing to remove those items each year.

Supv Bokunic MOVED that any documents past seven years be removed from the District's website and removed annually from the website.

Ms. Suit addressed quarterly compliance audits noting insurance companies are requesting they be done and it is something the outside companies are performing. The insurance company has asked if they are currently doing this and Ms. Suit told them the District is handling the website.

Supv Berube inquired as to what it is they want.

Discussion continued on quarterly compliance audits of the District website. Mr. Qualls will research further.

Supv Berube requested Ms. Suit inquire if the website compliance companies can do a quarterly audit only and what the cost would be.

Supv Kassel seconded the motion and with all in favor, the motion was approved.

C. Field Manager

- i. Facilities Maintenance (Parks, Pools, Docks, Boats, etc.)
- ii. Facility Use Records (Inclusive Boats & Other)
- iii. Resident Submittals (Facebook & Direct)
- iv. Pond Maintenance (Chart & Map)

There being no discussion, the next item followed.

v. Playground Proposals - Jammin Playgrounds

Supv Berube outlined the Jammin Playgrounds proposal noting it is for Middlebrook.

Supv Bokunic inquired if they have asked the residents of Middlebrook if this is what they want.

Supv Berube noted he had a conversation with Lucas, who attended a few months back and sent him the pictures, and he was thumbs up.

On MOTION by Supv Berube seconded by Supv Scarborough, with all in favor, the Jammin Playground proposal in the amount of \$21,072.50 was approved.

vi. Update on the Move of Field Services

Supv Berube noted Field Service is completely moved. There was some grading done for parking.

Discussion followed on the age of the trailer.

SEVENTH ORDER OF BUSINESS

District Manager's Report

- A. Financial Statements for September 30, 2019
- B. Approval of: #234 Invoices, Check Register and Debit Purchases

On MOTION by Supv Kassel seconded by Supv Bokunic, with all in favor, the September 2019 financials, Invoice Approval #234, Check Register and Debit Purchases was approved.

C. Ratification of November 1, 2019 Debt Service Payment

On MOTION by Supv Berube seconded by Supv Bokunic, with all in favor, the November 1, 2019 Debt Service payment was ratified.

D. Motion Assigning Fund Balance as of September 30, 2019

On MOTION by Supv Berube seconded by Supv Kassel, with all in favor, the motion assigning Fund Balance was approved as presented.

E. Audit Engagement for FY 2019

On MOTION by Supv Berube seconded by Supv Kassel, with all in favor, the audit engagement at a not to exceed of \$4,355.00 was approved.

F. Facilities Usage Applications

There being none, the next item followed.

EIGHTH ORDER OF BUSINESS

Old Business

A. Ongoing Discussion - VC1 – Potential Community Center

No further discussion.

B. Discussion of Meeting Video Recordings

Supv Berube noted there is a presentation from Mr. Leet noting Celebration CDD does it one way and the County does it another, there are costs involved, the potential for audits, meeting retention rules and a lot of pitfalls. Once you officially start taping meetings you open a big box of regulations you have to meet. He noted District Counsel, the District Manager and his thoughts are along the same lines that if residents want to video tape meetings they can do so and whatever storage they do is fine, but the District stays out of the business.

Supv Kassel noted she disagrees because there are a lot of other places that are able to manage it. She feels there has been a bias by certain members of the Board and she understands there are regulations they have to meet with various opinions about that, but if other entities do it, she thinks that means they should be capable of it. It is something a number of residents want, to be able to see the videos and have the CDD responsible for doing that rather than push it onto residents and she thinks it is something they should consider.

Discussion continued on videotaping District meetings.

On MOTION by Supv Berube seconded by Mr. Scarborough, with Supervisor's Berube, Scarborough, and Bokunic voting aye and Supv Kassel voting, residents to video tape Board meeting but the District will not provide the equipment was approved.

NINTH ORDER OF BUSINESS

New Business

There being none, the next item followed.

TENTH ORDER OF BUSINESS

Topical Subject Discussions

There being none, the next item followed.

ELEVENTH ORDER OF BUSINESS Supervisors' Requests

A. Records Remediation (Farnsworth)

Discussion followed on the records retention for the website.

EIGHTH ORDER OF BUSINESS Old Business (continued)

Supv Kassel addressed the prior discussion of a boardwalk out to Buck Lake. She noted Mr. Leet has been working on a very intensive project at work with a deadline so he was unable to get the pricing. It is old business and they can table it to the next meeting.

ELEVENTH ORDER OF BUSINESS Supervisors' Requests (continued)

A. Records Remediation (Farnsworth)

Discussion continued on the records retention with it being noted Supv Farnsworth can convert a number of the documents; there are a limited number that cannot be converted.

Mr. Qualls strongly suggested if it cannot be made compliant it be removed from the website.

Supv Berube requested a discussion with Supervisor Farnsworth be placed on the agenda regarding the shorter period of records being stored on the website. They need to know where they are with non-compliance and what they are going to do with them.

On MOTION by Supv Berube seconded by Supv Scarborough, with all in favor, any document that cannot be made ADA compliant to be removed from the website was approved.

B. Sign Deterioration, Sidewalk Cleaning and Pay Scale (Farnsworth)

Supv Berube noted for the sign deterioration, if the Board wants, he will contact Mr. Jermain to ask what he wants to do about his signs. The signs are developer.

Discussion followed on the sidewalk cleaning:

The question of whether it is legal to exclude Harmony neighborhoods. It was noted some of the neighborhood sidewalks have been deeded to the CDD. Neighborhoods F, H-2, I, J, K, L, M, N and all the succeeding ones with the developer supplied streetlights, the area from the street to the property owners' grass on the house

side of he sidewalk is unnamed; is county property and not CDD. The CDD cannot provide maintenance on property that is not theirs.

The question of whether the District can, on its own volition and at any time, take over a maintenance responsibility assigned to a property owner in his/her Deed of Covenants. The Deed of Covenants is the HROA.

To the question of if the District takes over the responsibility for cleaning private property sidewalks, with the HCDD be the recipient of "nasty-grams" from the HROA if the sidewalks are not cleaned properly; or will notices still be sent to the property owner. The HROA does not have authority over the sidewalks.

Discussion continued on which sidewalks the CDD cleans and maintains.

Ms. Suit addressed the pay scale history noting a little over a year ago there was a chart created and that chart did not match the current pay scales. She believes the chart was created in response to a question of the average pay and had nothing to do with what Harmony CDD field staff was being paid. A chart has been created based on current pay scale.

Discussion continued on the pay scale with it being noted it was never included in the Employee Handbook. The new chart has been included in the handbook.

Supv Berube reported the have lost a filed services employee, Alex has left. They have hired two field services employees.

Supv Scarborough inquired if the new side-by-side has been delivered.

Supv Berube noted it will be delivered November 10th.

TWELFTH ORDER OF BUSINESS

Adjournment

There being no further business,

On MOTION by Supv Berube seconded by Supv Scarborough, with all in favor, the meeting was adjourned.

Re: CDD Public Records Retention & Website Requirements

At last month's regular scheduled District Board meeting, the Board had a healthy discussion concerning the Harmony CDD Website. The Board adopted a new policy concerning how long records would be available on the Website. Considering this new policy, we have drafted this memo as a helpful guide as to what items must be included on the website and for how long. Community Development District websites and public records retention must comply with Chapters 119 and 189, Florida Statutes ("FS"). The District may keep records longer than required, but not for a shorter time period. Below is a brief summary of actions the District must take regarding its website and public records retention thereon.

Public Records

Public records are to be retained for the minimum length of time by category under the retention schedules listed by the Division of Library and Information Services of the Department of State which can be accessed at https://dos.myflorida.com/media/698312/gs1-sl-2017-final.pdf. Per Chapter 119, FS, insofar as practicable, a custodian of public records shall keep records in damage proof repositories in such an arrangement as to be easily accessible for convenient use.
Furthermore, custodians of public records shall permit records to be inspected by anyone desiring to do so, at any reasonable time, under reasonable conditions, and under supervision.

2

Website Requirements

Chapter 189, FS, applies generally to Districts and has several requirements for District websites:

Non-permanent retention pursuant §189.016³

- The tentative budget must be posted on the special district's official website at least 2 days before the budget hearing and must remain on the website for at least 45 days.
- The final adopted budget must be posted on the special district's official website within 30 days after adoption and must remain on the website for at least 2 years.

¹ Fla. Stat. § 119.021

² Fla. Stat § 119.07

³ Fla. Stat § 189.016

• If the governing body of a special district amends the budget pursuant to 189.016(6)(c), the adopted amendment must be posted on the official website of the special district within 5 days after adoption and must remain on the website for at least 2 years.

Permanent retention pursuant §189.069⁴

- Each independent special district shall maintain a separate website and shall post the following information, at a minimum, on the district's official website:
- The full legal name of the special district.
- The public purpose of the special district.
- The name, official address, official e-mail address, and, if applicable, term and appointing authority for each member of the governing body of the special district.
- The fiscal year of the special district.
- The full text of the special district's charter, the date of establishment, the establishing entity, and the statute or statutes under which the special district operates, if different from the statute or statutes under which the special district was established. Community development districts may reference chapter 190 as the uniform charter but must include information relating to any grant of special powers.
- The mailing address, e-mail address, telephone number, and website uniform resource locator of the special district.
- A description of the boundaries or service area of, and the services provided by, the special district.
- A listing of all taxes, fees, assessments, or charges imposed and collected by the special district, including the rates or amounts for the fiscal year and the statutory authority for the levy of the tax, fee, assessment, or charge. For purposes of this subparagraph, charges do not include patient charges by a hospital or other health care provider.
- The primary contact information for the special district for purposes of communication from the department.
- A code of ethics adopted by the special district, if applicable, and a hyperlink to generally applicable ethics provisions.
- The budget of the special district and any amendments thereto.
- The final, complete audit report for the most recent completed fiscal year and audit reports required by law or authorized by the governing body of the special district.
- A listing of its regularly scheduled public meetings as required by s. 189.015(1).
- The public facilities report, if applicable.
- The link to the Department of Financial Services' website as set forth in s. 218.32(1)(g).
- The agenda at least 7 days before each meeting or workshop, along with any meeting materials available in an electronic format, excluding confidential and exempt

-

information. The information must remain on the website for at least 1 year after the event.

It is advised that the District strictly comply with statute requirements for the District website. Should the agenda and/or meeting materials not get posted at least seven days in advance of the meeting, it appears that the meeting can still be held, and the items considered. The Attorney General has opined that a board may consider something excluded from the agenda, as long as the public is given the opportunity to be comment before action is taken theretofore. Again, it is advised that the District strictly comply with statutory provisions and post last-minute on the District website as soon as they are available. Should you have any questions about any of the items mentioned herein, please do not hesitate to contact us.

Additional Notes:

Ponds are doing well mostly treating the normal ponds with the exception of a few that have had a lot of growth all the sudden. Been removing debris I find in and around all ponds and I have road around everyone to determine what needs treatment and which ponds that have been treated are looking like now. Had a few really rainy days which raised the water back up about two inches once we are fully in the dryer months treating underwater growth will be more effective so I will hold off on those ponds for

AGREEMENT:

RJWA CONSULTING SERVICES

PROJECT #:

4123

CLIENT:

HARMONY CDD, Kristen Suit, District Manager

PROJECT:

RV STORAGE PARK

TASK:

PLANNED DEVELOPMENT - MINOR AMENDMENT (MPDA)

RJ WHIDDEN and ASSOCIATES, INC. (RJWA) agrees to provide the services outlined below for the above referenced project based on the following understanding:

1. SCOPE of SERVICES:

Relying on Steve Boyd's reference to a text from Dave Tomek (Osceola County Planning Director), RJWA will pursue a Minor Planned Development Amendment (MPDA) for the subject property owned by the Harmony CDD which is located behind the existing golf maintenance building that Starwood had used as an RV storage park. In the process of the CDD exploring expansion of the existing RV storage park, it was discovered that the current PD is not approved for outdoor storage/ RV parking. Accordingly, RJWA shall prepare, submit and process the required MPDA to allow said use as outlined herein.

2. BENCHMARKS FOR FIXED FEE SERVICES AND FEES TOTALING \$2,900

- 2.1 20% (\$580) payment of the total fee is required for: a) validation of this document as a Contractual Agreement, b) compensation to RJWA for services rendered leading up to this Agreement which includes research, collection of base information, allocation of time and resources, and c) initiation of services described in Subsection 2.2 below.
- 2.2 **60% (\$1,740)** payment of the total fee is required prior to submittal of application to the reviewing jurisdictional authority. Said fee covers services that were provided during this period, such as, preparation and submittal of Preapplication materials, representation of application at Pre-application Conference, as well as preparation of the PD application and supporting materials.
- 2.3 20% (\$580) payment of the total fee is required prior to the final consideration by the Development Review Committee.

NOTE: This agreement does not include a community meeting as it seems unlikely; however, should this occur, RJWA will prepare for and represent the MPDA application at said meeting at RJWA's normal hourly rates as identified in Subsection 3.1 below.

3. ADDITIONAL HOURLY RATE SERVICES, IF REQUESTED:

- 3.1 Upon request, RJWA can provide services additional to those addressed in Sections 1 and 2 herein at the following hourly rates: \$50 / Clerical, \$150 / Associate and \$250 / Principal. Once underway, departures from the original assignment outlined in Section 2 herein may be invoiced as additional services.
- 3.2 RJWA routinely resolves and obtains entitlements without the services of Legal Counsel. The fee schedule in Section 2 above reflects such an arrangement. Should the Client's business protocol require the involvement of Counsel at any point in this engagement, RJWA will enthusiastically team with Counsel as we are occasionally asked to do; however, in such case, RJWA shall invoice Client for any services rendered at the direction, request of, or on Counsel's behalf at RJWA's normal hourly rates addressed above which shall be in addition to the fee schedule addressed in Section 2 above.

4. LATE FEE CHARGES:

Any portion of an invoice remaining unpaid beyond thirty (30) days of the date of invoice may be deemed "late"; therefore, RJWA may prorate a late fee to be added to the unpaid portion calculated at 18% per annum.

5. CONDITIONS OF AGREEMENT:

- 5.1 RELIANCE ON RESOURCES: RJWA will rely on site inventory data on-hand, in the public realm or as made available by Client.
- 5.2 INVOICING AND FEE STRUCTURE: Fees stated herein include relevant meetings, research and preparations.

- 5.3 CLIENT AUTHORIZATIONS AND RESPONSIBILITIES: Client shall provide proof of ownership such as warranty deed, legal description or other documentation demonstrating authority by the owner to initiate application(s). Client shall post required notices and execute posting affidavits for public hearings. Client is responsible for providing authorization for RJWA to act as agent for the owner regarding applications and processing. If corporate owned, Client shall provide documentation demonstrating signatory is authorized to sign on behalf of the corporation. Client is responsible for application fees.
- 5.4 APPROVAL GUARANTEES: RJWA does not and cannot guarantee governmental approvals.
- 5.5 DOCUMENT OWNERSHIP: RJWA owns documents produced by this office. Client agrees not to distribute, share or show any product produced by RJWA without written authorization by RJWA, unless said product is already a matter of public record.
- 5.6 COLLECTION: For past due accounts, Client agrees to bear the cost of collection, including reasonable attorney's fees.
- 5.7 SHELF LIFE: This proposal is null and void unless fully executed within sixty days of the date of this document.
- 5.8 TRANSFERABILITY: This agreement shall not be assigned to any other party without RJWA's written consent.
- 5.9 OUTSIDE CONSULTANTS: RIWA does not subcontract outside consultants.
- 5.10 CONTRACTUAL AGREEMENT: Upon receipt of a fully executed document and the non-refundable fee required in Subsection 2.1 herein, this Agreement is a binding contract and shall remain in full force and effect unless terminated with written notice fifteen days in advance of the effective date of termination, by either party. Upon termination or expiration of this agreement, all obligations of the parties shall terminate except the right of RJWA or its assigns to receive compensation earned prior to expiration. This agreement may be amended or modified only in writing signed by the appropriate parties and shall have the full force and effect of the original.

FY2020 Boardwalk Proposals

Harmony CDD

Tangerine & Buck Lake Trails

Proposed boardwalk pier locations shown in Orange

Tangerine & Buck Lake Trails

- Either boardwalk pier would add Buck Lake access most convenient to residents of Cherry Hill and Green neighborhoods
- Both restored trails connect to Lakeshore Trail, which consists of CDD property running from Butterfly Trail all the way to Lakeshore Park
 - Tangerine Trail is easily accessible from raised berm around CDD pond #5
 - Buck Lake Trail is a short distance from existing sidewalk around CDD pond #6
- Both boardwalk piers would be accessible without full boardwalks, but full boardwalks would make them easier to use and would match existing Lakeshore Park boardwalks.
