CDD Supervisor Requests
{ January 28, 2016 Meeting }

- **CDD/ROA Websites** .... Have administrators, **Brenda Burgess** & **Rose Meister**, for
  CDD & **ROA**, respectively, coordinate inter-site hyperlinks.
  - ♦ Progress made – Brenda **corrected** Developer name/link.
  - ♦ Actions remain – **Add hyperlink** on each site to other site.

- **Meeting Materials** .... All material used during Board Meetings should be **on-line**.
  [Public access is made via **hyperlinks** on District website.]

  - ❖ **Mtg Slideshows** .... Put **10/29/15 Developer Presentation** on-line for Residents.
    [Add hyperlink to **Workshops Webpage** ← (see example)]

  - ❖ **District Graphics** ...... [Graphics in **Rules Appendix**, so no Workshop to update.]
    Update District's **Maps**: **(1)** Site Plan; and **(2)** Street Names.
    Need Engineer (or Developer?) to revise Street Names map.
    [If we proceed, what would Engineer charge CDD for work?]

- **Projector** **&** **Screen** .... Buy 16:9 aspect ratio (**cost:** projector <**$500**; screen <**$100**)

- **Irrigation System** .... What is the anticipated **availability date** of on-line maps?
  Would aid in reviewing/checking TOHO water bill variations.

Dave Farnsworth
