

Near Verbatim Versus Summary Minutes

{ Considered During Regular Meeting of 2019-02/28 }

The Proposed Change IS:

Break with the sixteen (16) year historical precedent (2003 thru 2018) of providing “*Near Verbatim*” Transcriptions of Meeting Minutes for current & future reference in favor of “*Summary*” Minutes which eliminate individual statements & quotations.

The Question Then Posed IS:

What does the Harmony District gain, how do Harmony Communities benefit, what do Harmony Residents gain, from the abandonment of “*Near Verbatim*” Minutes?

The Question Posed IS NOT:

What does the Harmony Board gain, how do individual Supervisors benefit, what do Employees of the District gain, through the adoption of “*Summary*” Minutes?

My Answers & Opinions ARE:

This topic results from paranoid fear by individual Board Members of the possibility of being misquoted &/or accurately quoted and then called-out on a misstatement when someone (Resident or otherwise) reviews fully transcribed (quoted) Minutes.

Citing “*Discovery*”, which is a Legal term, as a potential concern is a smokescreen (*Faux News*) thrown in to confuse the issue. If that is ever a real concern, there is an available remedy – it is called a “*Closed Session*” of the Board – to discuss any matters that have Legal ramifications to the Board, the District, or to Residents.

Accordingly, consideration of the radical change to “*Summary*” Minutes should be rejected & “*Near Verbatim*” Minutes Transcription should continue to be provided.
